A six-time Emmy Award-winner, this daily half-hour animated series, based on Marc Brown's best-selling Arthur adventure books, shows how Arthur and his friends use effective, age-appropriate problem-solving skills. Each episode consists of two independent stories focusing on themes and events central to children's lives. Whether facing down a bully, worrying about a new teacher or being the very last person on earth to lose his baby teeth, Arthur and his friends manage to solve their crises with imagination, kindness and a lot of humor. The series promotes literacy and is complemented by a comprehensive outreach campaign targeted to teachers, librarians, parents and daycare providers.

The Arthur website (pbskids.org/arthur) has curriculum and activities for parents and teachers. Downloadable lesson plans include Arthur's Communication Adventure, Arthur's Guide to Media Literacy, Arthur's Music Jamboree, Arthur's World Neighborhood, Hooray for Health, Learn to Read with Arthur, Play and Learn with Arthur, and Story Writing with Arthur. The site also includes activities for music, math, health and much more, plus resources including an activity guide for librarians and Tips on Reading with Children. Of course, the site also features activities, games and coloring sheets for children.

Educational off-air recording rights for teachers: one year each broadcast.

Schedule subject to change.
