**\* No duplication. Off-air recording rights only, as indicated.**

**This schedule is subject to change and additions!**

The Block Feed schedule is an overnight broadcast service of WVIZ/PBS and the Educational Services Department, allowing teachers to record programming with educational content for use in the classroom. For details on these programs, consult the online Instructional Media Catalog at [www.wviz.org/education](http://www.wviz.org/education) - click on the Instructional Media Catalog icon on the right side of the page. Call Educational Services at 216-916-6352 to receive an updated Block Feed Schedule.
