Based on the bestselling *Curious George* books, this new series uses George's insatiable curiosity as a way to inspire young children to explore science, math and engineering via animated shows and short, live-action pieces. (Rights: one year each broadcast.) Free educational resources (pbskids.org/curiousgeorge) offer activities to support and extend the learning objectives of the series, including a guide for kindergarten and other early childhood educators, a family activity booklet (in English and Spanish), and activity sheets. The site also provides a myriad of games and activities for kids.

Schedule subject to change.

Call Educational Services at 216-916-6352 for an updated schedule.
