

MY HOUSE

IS A ZOO

One morning I woke up and went downstairs.

I was sleepy. I thought I saw bears.

I went to the kitchen to get a drink.

An octopus' arms were waving from the sink.

I ran to the bathroom.

A penguin was flushing the toilet with a "KABOOM"!

I skipped to the living room to watch a T.V. show.

A monkey was hanging on the antenna with her toe.

I went back to bed.

A sloth was resting his head.

When I really woke up, I saw my Mom washing dishes, my brother Alex going potty, my sister Sarah watching T.V., and my Dad sleeping.

My house really is a zoo!!
