

When I Grow Up I Want To Be...

second grade

When I grow up I want to be...

The captain of a pirate ship and sail the seven seas. I'll say things like swab the deck, fire the cannons, walk the plank, and arghhh matey! I'll try to catch a white whale and discover new islands. I hope I don't get seasick!

When I grow up I want to be...

A superhero. I'll fly upside down and up-and-around looking for people who need help. I will get cats down out of trees and help put out fires. I'll help late people get to work on time.

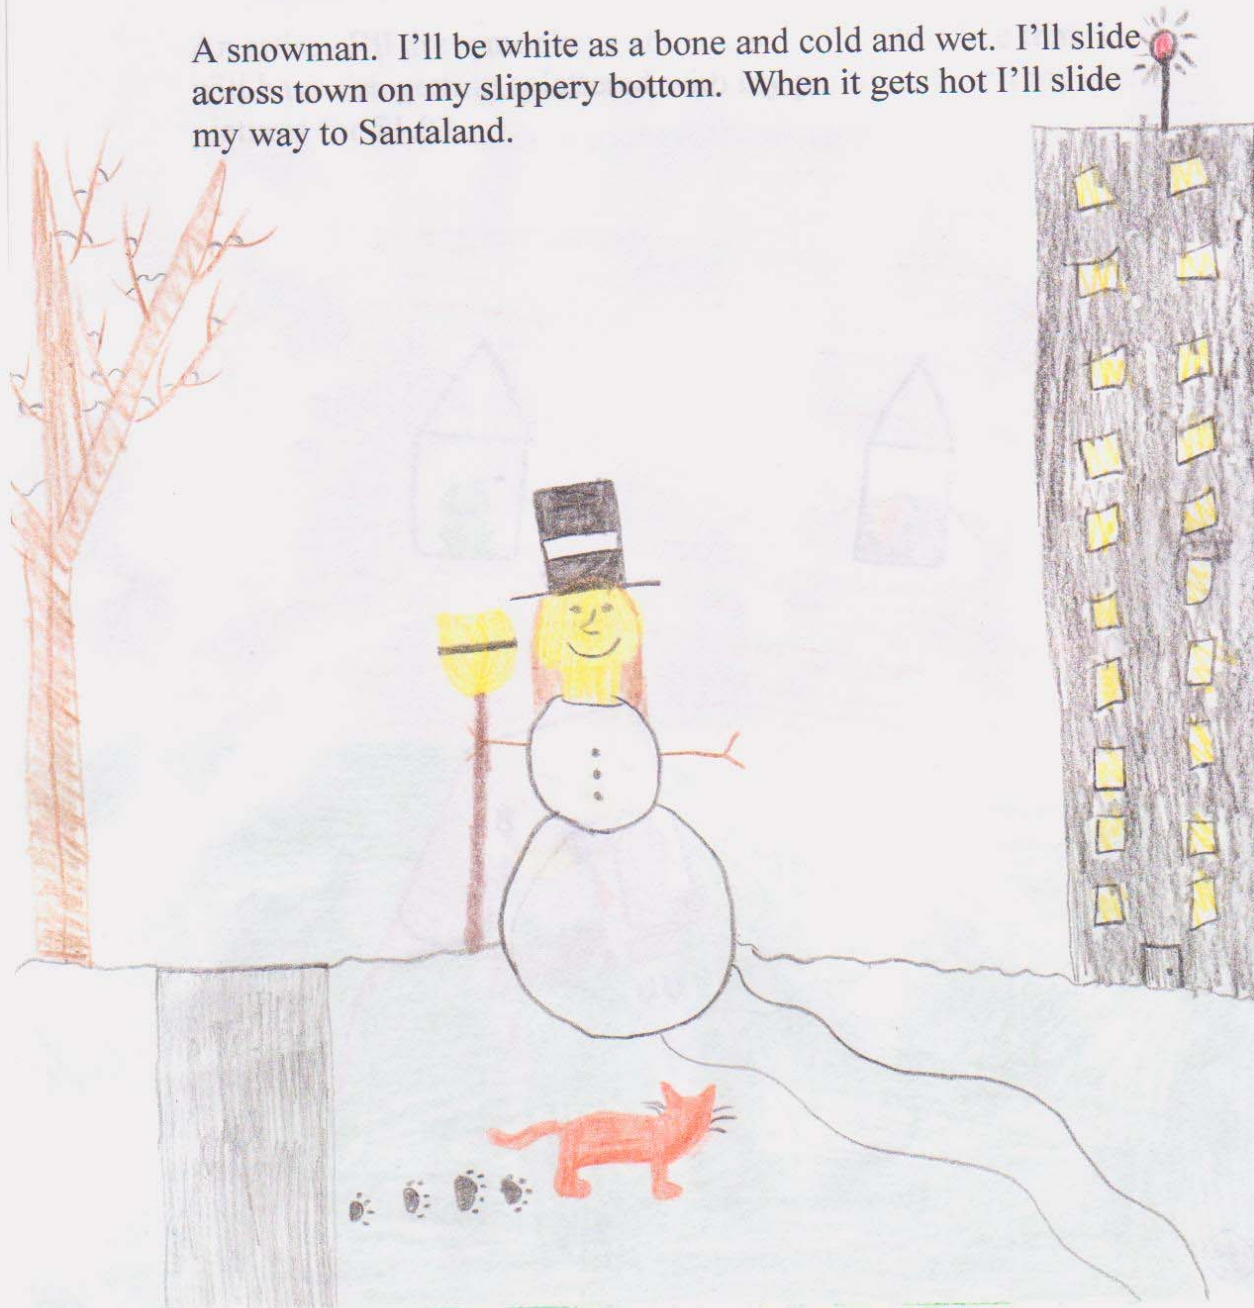

When I grow up I want to be...

A teacher, because I like to draw on chalkboards with chalk. I'll teach the children how to do math problems such as $1+1=2$. I'll grade their papers and give them homework. I'll take them on fieldtrips so they can see new things and have fun.

When I grow up I want to be...

A snowman. I'll be white as a bone and cold and wet. I'll slide across town on my slippery bottom. When it gets hot I'll slide my way to Santaland.

When I grow up I want to be...

An artist. I'll draw monkeys and animals and stuff like that. I will have fun getting splattered with my paints. I'll sell my pictures for \$1.03.

When I grow up I want to be...

A kitty cat. I'll climb up and down trees. I'll chase mice and birds, but I will never hurt them. I will attack bugs like spiders, ants and flies. I'll be sure to tease the neighbor's dog...just for fun.

When I grow up I want to be...

Everything I imagined in my head!
