

Local Stream Clean-Ups:

Cuyahoga Soil and Water Conservation District along with partners organizes a Rocky River Watershed Clean Up (multiple locations) usually on the second Saturday in May. Another clean up is organized on the Chevy Branch of Big Creek in Cleveland the second Saturday in June. Contact the office at 216-524-6580 for more information on how you can help. Other groups clean up the Cuyahoga River on a yearly basis as well.

National River Clean-Up <http://www.americaoutdoors.org/nrcw/natao10.htm>.

National River Cleanup Week's mission is to raise public awareness of the magnitude of trash accumulating in our nation's waterways and to develop a constituency for clean waterways. Since its inception in 1992, 508,905 volunteers have participated in nearly 5,000 cleanups covering over 95,600 miles of waterways across the US.
